ALMA MATER

We will stand as loyal Lancers.
Always brave and true.
Through the years we'll keep our glory,
And our spirit, too.

Carlsbad forever dear,
To thee our hearts belong.
We will sing our Alma Mater,
Lancers, hail to you.

Mary, at last
Well, at last
Chemistry is over, I hope
THANK goodness!! I hope
We'll have fun next year
at State; But boy, I'm
staying away from Chemistry
classes!
Hope you have fun this
Summer!
Always
Carol.

# ADMINISTRATION

# Dr. H. S. Packwood

The editors of the Purple Shield dedicate this volume to Dr. H. S. Packwood, who is retiring from the superintendency of our high school district.

His warmth of personality and interest in the welfare of the students and the district will be missed. The best wishes of the students of Carlsbad High School go with Dr. Packwood.

# Board of Trustees

Equal to the tireless efforts of Dr. Packwood and Dr. MacDonald, assistant superintendent, toward educational goals, is the zeal of the Board of Trustees in their planning and guiding of continued educational opportunities.

From left to right seated, Dr. John MacDonald, Mr. F. Gardner Barnard, Jr., President: Mrs. Lucy Hoskins, Vice-President: Mr. Clinton L. Pedley; Standing, Mr, Joseph B. Cockrill, clerk; and Mr. John Frenzel.

# Mr. Alfred D. Lafleur

Mr. Lafleur was one of the original "dreamers" of Carlsbad High School before its inception. He became principal when students used another campus until February of the first school year, 1957-1958.

The editors of the Purple Shield wish to express regret that Mr. Lafleur is leaving the campus, but there is consolation that his leadership will not be lost as he takes over the office of the Superintendent of Oceanside-Carlsbad High School District.

# Miss Jean Walker

Before Carlsbad High School existed, Miss Walker was already familiar with the district as Dean of Girls of Oceanside High School.

The successful operation of CHS has been in no small way due to the part Miss Walker has played, as Assistant Principal, in the planning and guiding of the school.

FLASH! January 29, 1964:"Miss Jean Walker was appointed Principal of Carlsbad High School for the 1964-1965 year last night by unanimous action of the Board of Trustees... I am certain that the students, the staff and the community will benefit from her enlightened leadership and I for one look forward to the continuance of a warm and profitable association." --Alfred D. Lafleur
Principal.

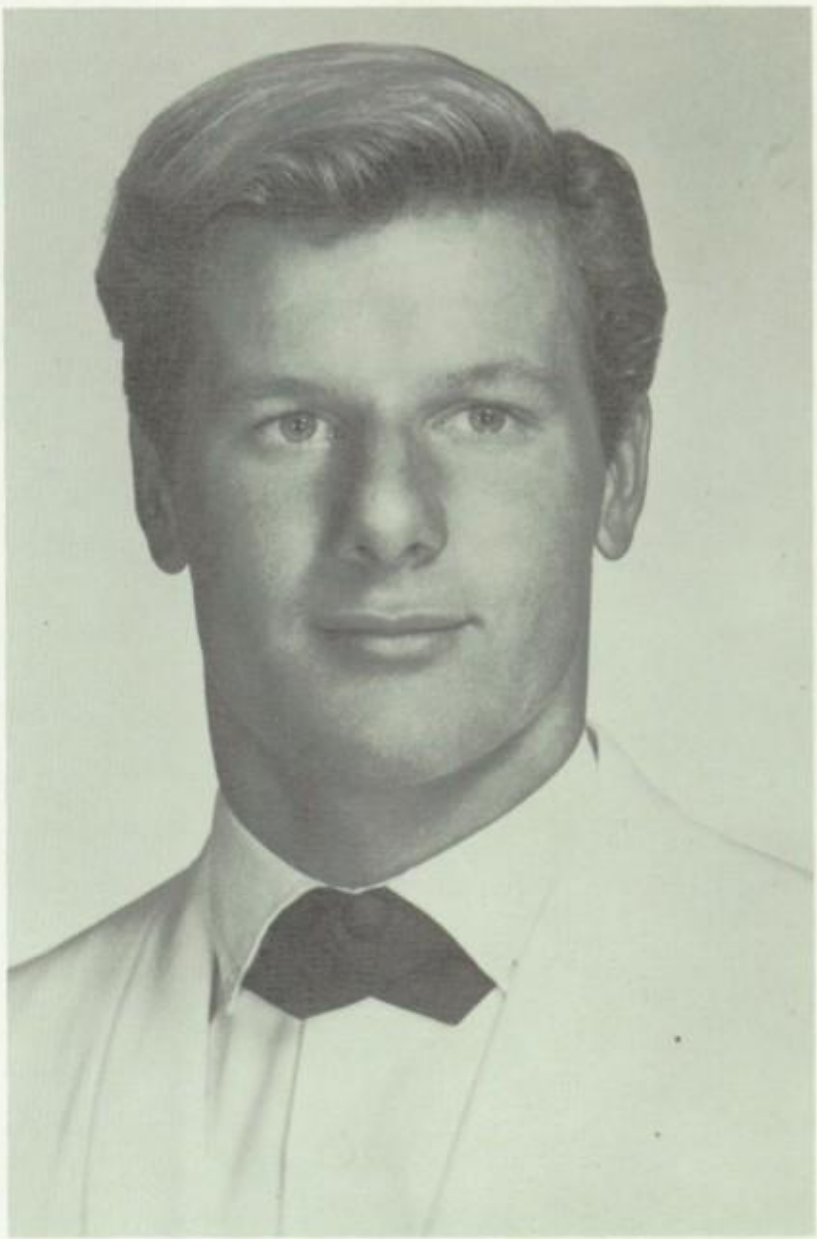
## Valedictorian

## Richard Salisbury

Richard Salisbury, valedictorian for 1964, achieved a grade point average of 3.95 with a major in mathematics and science.

In addition to his participation in track events, he was an active member of American Field Service and California Scholarship Federation. Having interests as varied as the study of psychology and the enjoyment of modern music, he will find great opportunities for further development at the University of California at Berkeley.



## Salutatorian

## Richard Cole

With an enviable 3.78 grade point average, Richard Cole attained the status of salutatorian for 1964. He broadened his program with football and track events and still had time and energy for enjoying music, and, of course, for developing his skill in surfing.

# CHS Honors

Pete Thayer, President

It is difficult to think of the future when there is so much of the past that needs to be remembered. Our high school years have ended for some of us. This may be the last time we will see many of our friends.

These thoughts leave an emptiness that can be filled only with memories. We have much to be proud of. We have all tried, in our own way, to achieve some goal. Now that we are leaving, we take with us fond memories of Carlsbad High School. --ASB President

Mary -
well we're
finally out
and have waited
a long time
for it. You're
real sweet, stay
that way and
I wish you
lots of success
in the future
Always
Marlene

Dear Mary,

Oh happy day school is almost out, Can you imagine next year we start becoming back here.

When you're in college you must remember to write me. I won't forget about the act?

You know I wouldn't have missed high school or knowing any of the kids here, even the ones I don't like, but even though high school has been fun I can hardly wait to get out and that day will be.

Hasn't it been fun in Chemistry? Mixing chemicals, having minor explosions, eating away flesh with acid. Latin has been fun too! I'll never forget your marriage declaration. Why you? It was love at first sight. Or may be I'm wrong and you caught him on Ladies Students Day. My word Mary! Can't you run faster than that or do you need your glasses changed?

I'll never forget the fun we've had doing things together. Like making and selling candy, helping each other on tests. Small unimportant fun stuff.

Lots of Love Happiness and luck throughout the wonderful coming years.

Love

Linda

Mary,

Wow what a year in Chemistry. At least you didn't break anything. Good luck in your profession. With your great chemistry ability, I know you'll be tops. May God grant you your every wish. May He bless you and keep you healthy, happy + prasperous.

P.S. get a good grade in Chem.
O.K.?

Mary,

Your friendship and understanding have been and I know will be forever imbedded in my heart. I thank you again and again for all the wonderful times we had together at the parades, horseshows, and trails. If Rusty could talk he would surely express his appreciation for Babe's companionship. Two years of separation, but then two years together at State, what great time we'll have. Please don't forget me and Rusty when you leave school for good. We must always try to keep in touch. By the way don't forget Sundays Rodeo! When you come back from Mississippi we'll have to get together and swap horse notes. Good. bye til tonight.

love always,
Astrid

Mary

I hope you'll find the future very rewarding. I especially want to say and thank you and your class for the very proud status you had all set before us, the future senior class.

I will be both sad and happy to see you go. Sad, to see a comrade leave and face the world beyond, and happy to be able to step into the high-light of the class of a year.

Time, wasn't long enough for us to chat and laugh as much as we had hoped to, so I hope your future will promise the wealth of success.

Love

Jane
